

## **USE OF REMOTE TECHNOLOGY FOR RETAINER CHECK APPOINTMENTS**

In light of the current events that are unfolding, Mehta Orthodontics are committed in taking a proactive approach to limit the spread of the COVID-19 virus.

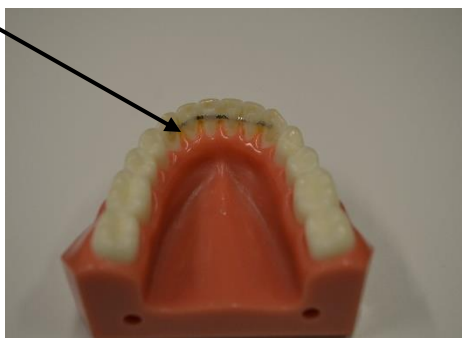

As part of Government initiatives with 'social distancing' we have decided to monitor your retention appointments via remote technology instead of you having to come to the practice. It is our intention to see you again at the practice in 3 - 6 months time.

Meanwhile, we request that you:

- Use the following images, taken with your mobile phone, and send through via email to [admin@mehtaorthodontics.com.au](mailto:admin@mehtaorthodontics.com.au). Dr Mehta will assess the photos and respond accordingly.

- If you have a bonded wire retainer (as in the picture below) then please check to ensure the glue has not come off.

Continue with your current retainer wear regime until your next visit with us.

The Team at Mehta Orthodontics are dedicated to looking after you and we will be happy to answer any concerns or queries should you have any. Please call us on **8883 4444**.
